iSolved Network

Improve HR, payroll, and engagement at your higher education institution

Achieve a better workforce experience and lessen your workload with iSolved

iSolved allows you to eliminate the time-consuming tasks that challenge educational administrative professionals. iSolved includes features that simplify student-employee taxation, allow you to export the general ledger, and define your school's specific year for salary and benefits.

You can minimize the time spent, while improving accuracy with iSolved. This cloud-based solution offers payroll, time tracking, onboarding, and ACA compliance all in one technology. Say goodbye to tedious manual processes and complicated, disparate tools that require importing and exporting and duplicate data entry.

Define your school year for benefits and salary calculations easily in iSolved.

Your benefits with iSolved:

- More time to focus on the needs of the college
- Less worry about legal compliance
- Higher level of employee engagement and teamwork
- View labor data in real time and make informed business decisions
- Reduce errors and improve efficiencies

iSolved Features:

- Define your school year for benefits calculations and salary
- Student-employee taxation
- Tax exemption changes on single-employee record
- Unlimited department levels for labor and general ledger
- General Ledger export
- Automated ACA tracking for all employee types
- One database for employee records, certifications, expertise
